

## Manitoba SDM® Service Decision Matrix

<b>Entry Point: Through INTAKE</b>			
<b>Safety Decision</b>	<b>Initial Probability of Future Harm Level</b>	<b>Streaming Criteria</b>	<b>Recommended Action</b>
<b>Unsafe:</b> Immediate harm or danger identified; Placement outside the home is the only protective intervention possible.	All Probability Levels	None Applicable as children are in care due to protection concerns.	Open for services under Part III of the <i>Child and Family Services Act</i> as a Protection case
<b>Conditionally Safe/Safe with a Plan:</b> Immediate harm or danger identified; children only safe in the home with conditions that caregivers <b>must</b> meet.	All Probability Levels	None Applicable as children are safe only with conditions or a safety plan.	Open for services under Part III of the <i>Child and Family Services Act</i> as a Protection case
<b>Safe:</b> No Immediate harm or danger identified. The family works with the Agency to address identified probability and needs.	Very High / High	Exclusionary criteria apply	Open for services under Part III of the <i>Child and Family Services Act</i> as a Protection case
		Family has refused FE service offer	Open for services under Part III of the <i>Child and Family Services Act</i> as a Protection case
		No exclusionary criteria apply Family is willing to engage Professional judgement supports offer of FE Service	Open for services under Part III of the <i>Child and Family Services Act</i> as a Family Enhancement case
	Moderate	Exclusionary criteria apply	Open for services under Part III of the <i>Child and Family Services Act</i> as a Protection case
		No exclusionary criteria apply Family refuses offer of FE services	Professional judgement determines if case is closed or opened. If opened, open for services under Part III of the <i>Child and Family Services Act</i> as a Protection case
		No exclusionary criteria apply Family is willing to engage Professional judgement supports offer of FE Service	Open for services under Part II or Part III of the Act as a Family Enhancement case, based on by professional judgement.
	Low	No exclusionary criteria apply	Refer to community resources and close at Intake.

## Manitoba SDM® Service Decision Matrix

<b>Entry Point TWO Through PROTECTION FAMILY SERVICE TRANSFER or RECLASSIFICATION</b>			
Safety Status	Probability Level at Reassessment	Streaming Criteria	Recommended Action
<p><b>For cases that were Unsafe and/or Conditionally Safe and are now Safe</b> based on No Immediate harm or danger identified; <b>AND</b> the family has complied with the conditions for over 90 days and demonstrated acts of protection over time</p>	<p>Reduced from Very High to HIGH</p> <p>Reduced from High to MODERATE</p> <p>Remained at MODERATE</p> <p><i>(Note: Reduction is only by way of reassessment on the PFH )</i></p>	<ol style="list-style-type: none"> <li>1. No Exclusionary Criteria apply; AND</li> <li>2. Reassessment done at 90 days or more into Protection service; AND</li> <li>3. Professional judgement supports offer of FE service; AND</li> <li>4. Family is engaged with Agency</li> </ol>	<p>Reclassify as a Family Enhancement case under Part III of the Act.</p> <p>(FE classification in effect date the FE Agreement is signed with the family)</p>
<p><b>Cases that were SAFE and assigned to Protection Track and remain SAFE:</b> No Immediate harm or danger identified; the family works with the Agency to address identified probability and needs.</p>	<p>Very high / high / moderate</p>	<ol style="list-style-type: none"> <li>1. No exclusionary criteria apply; AND</li> <li>2. Family willing to engage in FE services; AND</li> <li>3. Professional judgement supports offer of FE services</li> </ol>	<p>Reclassify under Part II or Part III of the Act as a Family Enhancement case, based on by professional judgement.</p>

### Exclusionary Criteria\*

1. Sexual abuse of a child/children in the family and the perpetrator is likely to have access to the child/children.
2. There is an ongoing child protection investigation.
3. There is a serious non-accidental injury to a child.
4. A child in the family is in care.

\* If any of these conditions apply, FE services cannot be offered to the family.
