As per my conversation with hospital social worker, Cathy Allen of earlier today, I am providing this letter for your file placing the above-named child under apprehension with Winnipeg Child & Family Services. As she is being discharged from the hospital this date, she will be moved to the appropriate foster placement by this writer.

If you have any further questions or require clarification regarding this matter please do not hesitate to contact myself, Mamie Saunderson at 944-4259.

Sincerely,
