I'm sure Stan would be okay with that. He's a most agreeable fellow. Thanks for doing the court piece.

Hi Heather,

Thanks for your note. I am trying to finish the addendum with any pertinent information for the worker so I will send that off to Stan within the day. I am going to court on Wednesday to restate the plan for ACFS and will give that info to Stan as well.

Now I am wondering one thing. I have not been able to find dad to complete the ADP. I have tried to see him. His family has told him to call me and he won't and he did not even show up for court. Would it be too much to ask if Stan could complete this form with the dad when he does eventually meet with him. It would be a great help to me if this was possible and I would be most appreciative. Could you let me know.

Thanks and have a good day.

Laura

Hi Laura,

I am assigning this file to Stan Williams today. I spoke with Gloria W. who says that you were at court yesterday to state the plan, and that mom consented to a 3 month temporary order. She indicated that the ACFS lawyer had it put over to next week, so the plan would have to be re-stated. Gloria thought that you said you would go, but if that's incorrect, please let Stan know what the plan is.

Thanks.

Heather
