

- daughter + love her.

Stes - not sure at time, but after visits decided to take care of Peter.

- afraid that Dr. would sexually touch me, 20. TV & aunty. & no prenatal care.

- we talked about baby, but didn't come to decision.

- mixed feelings about preg, not planned, mostly neg. feelings. Had since didn't want to have child for awhile.

- wanted Educ<sup>n</sup> / job.

- started school Sept 5 @ 10

- Steve @ 10 : look for job after daycare arranged, would like to make my own money &.

- mad / sad / depressed.

- Steve: sex whenever she's ready.

- Sam: needs much interested in sex.

- Sam: happy, would like to be off welfare.

- Steve: lottery.

STY - CFS - O.K. not worrying us.

→ not depressed. mental health O.K. ? issues re sex/marriage/pain.
