Our File No. 15737 WSG

I have had an opportunity to review the material provided to me by Mr. McKinnon's office. I acknowledge your comment that the question of redactions under consideration is limited to the investigative and preparatory stage of the Inquiry. At this stage, the name of the investigative and preparatory stage of the Inquiry. At this stage, the name of the investigative and preparatory stage of the Inquiry. At this stage, ought to be redacted. Consideration ought to be given to the redaction of the special circumstances involving and and the At this point, however, consideration ought to be given to redacting the names of the special circumstances involving and the same of the special circumstances involving and the same of the special circumstances involving and the same of the special circumstances involving the same of the sa

I look forward to discussing with you in due course the relevance of sile to the purpose of the Commission of Inquiry. I understand that that discussion is for a later date.

Yours truly,
